ChimeHive

CASE STUDY · UNIVERSAL GRAPHICS

~60 staff. Leave, clocking and payroll prep. NO MORE PAPER.

Universal Graphics LTD

One system.
Payroll-ready hours,
every pay run.

THE CUSTOMER

Fleet, signage, window film and interior branding since 1997

Branding for names like An Post, eir, DHL and SuperValu.

~60 staff

4 locations

- Emyvale, Co. Monaghan
- Gortakeegan, Co. Monaghan
- Dublin
- Waterford

> **Who's in and who's off drives job scheduling and payroll.**

THE CHALLENGE

HR admin on paper

Leave on paper

Forms could go missing

Clocking that didn't fit

Missed time, hard-to-verify hours

Hours totted up by hand

Before every pay run

Managers guessing

Who's free for a job?

THE SOLUTION

One place for the people side of time

Leave requests and approvals

Also shown in Outlook

Face-recognition clock-in

Kiosk or browser, geo-tagged

Payroll-ready export

Approved hours for the accounts team

THE RESULT

STEP 1
From paperwork to pulling insights

→

STEP 2
From insights to forward planning

From paperwork to pulling insights

Staff clock in and book leave in one place

Managers approve leave with no paperwork

Accounts get payroll-ready hours

BEFORE AND AFTER

What changed

	BEFORE	WITH CHIMEHIVE
Leave	Paper forms	**Approved in ChimeHive**
Who's off	Ask an admin	**Shared record, in Outlook**
Clocking	Didn't fit their needs	**Face-recognition kiosk**
Hours for payroll	Totted up by hand	**Totalled in ChimeHive**
